

# INSTRUCTIONS FOR CHANGING THE TV FROM ANTENNA TO SATELLITE

When you turn on the TV, the hotel mode will appear with a presentation of rooms and apartments of JBX RESORT, and other services we would like to offer you.

- by pressing the P button upwards, you move to the programme tuned on channel 1
- the LIST button will show all available TV and RADIO programs broadcast via the antenna

If you are interested in free programmes broadcast via satellite, the procedure for changing is:

- press the LIST button - a list of stations will appear on the right side of the screen.
- the red button on the bottom left opens a chart where you can see the antenna – cable -satellite options
- press the arrow to move the selection to satellite and press OK
- the list of TV stations now shows those that are freely available via satellite
- by pressing the EXIT button, you cancel the list of stations, and the picture is now broadcasting on full display

- 1 ON/OFF
- 2 button for the list of TV/RADIO stations
- 3 • button for the list of TV/RADIO station  
• button to change ANTENNA / SATELLITE (always must wait a moment)
- 4 • press the down arrow next to the station list to satellite and confirm with OK  
• the stations on the satellite will appear  
• by pressing the EXIT button, the picture is now broadcasting on full display

Streaming services such as Netflix, HBO etc. are only available if the guest has their own paid account. Paid channels are not available.
